FOUNDATION & ALUMNI

A LEGACY OF LEADERSHIP AND IMPACT

For more than 50 years, the University of South Dakota and Deloitte have shared a strong relationship rooted in a mutual commitment to developing outstanding accounting and business leaders.

USD has long served as a vital talent pipeline for the profession including Deloitte, preparing students to succeed in their careers. The Deloitte Foundation also sponsors programs which provide valuable development experiences for faculty and students. The Deloitte Foundation Matching Gifts Program has helped Deloitte alumni invest in scholarships, faculty excellence and student experiences at the Beacom School of Business.

Together, we are building a future where the next generation of Coyotes enter the profession with the confidence, preparation and support they need to lead with purpose.

Fellow Coyote. Deloitte Professional. Impact Multiplier.

As a proud graduate of USD and a current or retired Deloitte professional, you understand the value of education and what it means to help someone take the first step in their professional journey.

Now, you can give back to the school that launched your career—and multiply your impact—through the USD Beacom School of Business – Deloitte Foundation Matching Gifts Initiative.

YOUR GIFT, MATCHED: HOW IT WORKS

If you are a current US Deloitte employee or an active/retired partner, principal, or managing director (PPMD), your gift to USD may be eligible for a one-to-one match (up to \$32,500 per fiscal year, June 1 - May 31) through the Deloitte Foundation Matching Gifts Program.

You can designate your gift (\$50 minimum for current employees and \$250 minimum for active/retired PPMDs per fiscal year) to any of the following funds at the Beacom School of Business.

- **Deloitte Foundation Scholarship Endowment:** Supports scholarships for upper-level accounting students.
- **Deloitte Foundation Professorship in Accounting:** Helps recruit and retain expert faculty and strengthens the program's national reputation.
- **Accounting Club (Beta Alpha Psi):** Funds career development and leadership development travel and programming.
- **Summer Accounting Institute:** Introduces high school students to accounting as a career.
- **Dean's or Department Discretionary Funds:** Supports high priority needs to elevate the student experience.

You may also give to any other USD academic fund that meets the Deloitte Foundation's matching criteria. If you have questions about the matching criteria, please search "matching gifts" on DeloitteNet or contact matchinggifts@deloitte.com.

In fact, 20% of Coyote Beginnings scholarships go to Beacom School of Business students. And thanks to the Deloitte Foundation and the Ellis Impact – a university-wide initiative created to match gifts towards Coyote Beginnings – your gift is tripled.

Honor your Coyote roots and join a proud tradition.

Whether you've given for years or are considering your first gift, you're part of a community that believes in paying it forward for the next generation.

Now is the moment to make your impact.

The Deloitte Foundation has generously matched gifts for years—but with a new, higher match maximum, your support goes even further. This initiative also offers a chance to reconnect, celebrate shared experiences, and strengthen ties among USD alumni at Deloitte.

HOW TO PARTICIPATE

Make Your Gift: Choose a fund that aligns with your passions—scholarships, faculty support, student organizations or Coyote Beginnings—and give through the USD Foundation.

Submit for Matching: To request a match, search “matching gifts” in the search field of DeloitteNet or email matchinggifts@deloitte.com. If you gave to Coyote Beginnings, the Ellis Impact match will be automatically applied.

Spread the Word: Share this opportunity with fellow alumni and Deloitte colleagues. Many aren't aware they're eligible—your outreach could unlock thousands in matching dollars.
